If you have some time, don't hesitate to go to the quays of Rouen and to walk on its big Esplanade, the inhabitants of Rouen love to come there with friends or family, you will find nice breweries as well as activities such as bowling, laser game... You can also download the application "Rouen Enigma", a virtual escape game in order to know more about this city while having fun.

Where to eat and go out:

The whole downtown area is very lively at night.

As for restaurants, here are my favorites in Rouen:

- *La Petite Auberge : If you are looking for a typical French restaurant, you will be delighted, the place is very friendly (the restaurant is well named) and the chef will serve you all the typical French and Norman dishes. Address : 164 Rue Martainville, 76000 Rouen: [02 35 70 80 18](tel:0235708018)*
- *Les Brigades du Kitch : If you are looking for the most atypical restaurant in Rouen, this is the place to go. The decoration and the atmosphere are really offbeat, we love it. And you won't be disappointed with the menus, in general the concept is 3 starters to choose from, 3 main courses and 3 desserts, not much choice but only quality products, fresh and worked. Count 25e per person approximately. Address : 21, Rue des Bons enfants : [02 35 70 60 01](tel:0235706001)*
- *La Cornaelle : A very good quality creperie, located on Rue Eau de Robec, is a good address for lunch or dinner at a reasonable price, the "home-made" is a must. Address : 174 Rue Eau de Robec: [02 35 08 53 75](tel:0235085375).*

We advise you to make reservations for these restaurants if you wish to have a table easily, especially on weekends.

Beyond our selection, you will find many other addresses in Rouen, the Gastronomy is very well represented there.
